I AM
ARMED-
NOT

A close-up, black and white illustration of a character's face, likely a woman with dark hair and a determined, slightly fierce expression. The character is looking slightly to the right. The background is dark with some light streaks, suggesting motion or a dramatic setting.

I WILL NOT
LET THEM LAY
ONE MORE
FINGER UPON
YOU.

A full-page black and white illustration showing a character in a dynamic, action-oriented pose. The character is wearing a dark, form-fitting outfit and is surrounded by a large, bright, starburst-like energy burst or explosion. The background is dark and textured, possibly representing a forest or a rocky landscape. The overall style is reminiscent of classic manga art.

COME
RIGHT
AWAY FROM
NOW ON!

I, HAGYU
JURRI,
WILL PROTECT
YOU WITH
MY LIFE!
